

have given them until Aug. 1 to secure one. They are so scarce.

Last night, June 2, we had our love feast at Enon. Sister Etta Lichty will report it more fully. Suffice it to say here that it was one of the best we have ever had. The attendance was large and the interest the best. A number came over from Hudson and added to the joy of the occasion.

I have never known this church to be in better shape since we became pastor. We are praying for a glorious ingathering this fall. Pray with us.

**Waterloo, Iowa**

Everything is moving along nicely at present. The interest and attendance seems to be increasing in the different services.

We held our semi-annual communion services last night which was largely attended. A number of the brothers and sisters from Hudson and Waterloo being with us.

The Christian Endeavor Society of Waterloo gave a social last Friday night in the lecture room of the church.

It is my privilege quite often, altho I live quite a distance from Waterloo, to attend the services there on Sunday evenings.

The Christian Endeavorers seem to be very much interested in their work, and it is hoped the meetings may be more largely attended.

All of us feel very sorry about losing Brother Gillin as pastor. He will be greatly missed as he has been with us so long. But suppose it is for the best. And we hope that success will attend him wherever he goes.

We are practicing for Children's Day exercises on June 9.

Sister Sadie Gibbons is at present sojourning among us, she being much improved in health. We hope she may be with us some time as she was always a welcome visitor.

I will close, asking an interest in your prayers.

ANNA LANDIS.

**From the North**

Per previous arrangement I boarded the train at Decatur, Mich., and intercepted brother John English, the present pastor of the Campbell Brethren church, and together we wended our way by rail and private conveyance to the home of our friend, Jonathan Kicks, whose wife is a member of the Brethren church. At this hospitable home we stayed until meeting time, Saturday, 2 P. M., at which time they held prayer and song service and council meeting in the afternoon. In the evening we met for communion service. We had a very enjoyable service with a goodly number surround-

ing the tables and a full house of attentive listeners. There was one reclaimed and one applicant for membership at the meeting and so the good work goes on. Praise the Lord for his goodness and mercy. Altogether we felt that we had a profitable meeting.

Many thanks, dear brothers and sisters, for your kindness and hospitality while among you. Came home on Monday and found all well. It is an inspiration to go among such dear brethren and sisters as we find in the Campbell church.

**Enon, Iowa**

The members of the Waterloo and Enon churches held their semi-annual communion service in the Enon church Sunday evening, June 2. The evening being a beautiful one a very large number was present. Several members of the Hudson church came over and enjoyed the meeting with us. It was one of the best communion services we ever had. About 85 members surrounded the Lord's table. We are getting along nicely with our church and Sunday-school work. Just now our school is preparing for Children's Day which will be next Sunday, June 9.
